TOTAL	£9,405

What is the Sports Premium?

The government has provided £150 million per year for the academic years 2013 / 2014, 2014 / 2015, 2015 /2016 and 2016/2017 to increase funding for school sports. The funding has been jointly provided by the Departments for Education, Health and Culture, Media and Sport. The money goes directly to Headteachers to enable them to improve the quality of PE and sport for all children. Each school receives £8,000 plus £5 per pupil in years 1 to 6. At Angel Oak Academy we will receive £9,500 in 2016/17. Schools must spend this on improving their sports and PE provision, but can choose how to do this.

Our main objectives:

At Angel Oak Academy we aim to provide a range of sporting opportunities for our children. Our aspiration is to provide high quality sports education for all of our students, improving their health and fitness and promoting an inclusive ethos, where all students enjoy participating in sporting activities. We provide a wide range of sporting activities to students, including competitive sports events, and have specialist staff that supports us in delivering this provision. Angel Oak Academy employs three full-time qualified PE coaches to deliver sports and PE lessons across the academy and ensure that all staff receive pedagogical and sport specific training. Coaches run all sports clubs and arrange and attend all sports fixtures. Coaches also deliver training across the Academy Trust.

Our Sports Grant will be used to:

- Project a positive image of the Academy when competing against other schools. Focussing on team spirit, good sportsmanship and positivity.
- Ensure that equipment is safe, practical, usable and in a good condition.
- Participate in competitions within our local area and within STEP Academy Trust.
- Introduce new forms of sport/exercise.
- Identify pupils that will benefit from sport to manage their emotions (Boxercise, Yoga).
- Ensure every child has the opportunity to take part in a sporting activity/PE and not accepting pupils not having a PE kit as an excuse not to take part.
- Provide an opportunity to showcase our sporting talents to our parents and staff (Sports Day).
- Provide Lunchtime-, Before- and After School Clubs
- Develop the practice of current teachers in the teaching of PE and healthy lifestyles
- Achieve the Gold School Games Mark award
