

Funding for the PE and sport premium

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6.

In cases where schools don't follow year groups (for example, in some special schools), pupils aged 5 to 10 attract the funding.

In most cases, we determine how many pupils in your school attract the funding using data from the January 2015 school census.

If you are a new school or a school teaching eligible pupils for the first time in the academic year 2015 to 2016, we will base your funding on data from the autumn 2015 school census.

Funding for 2015 to 2016

Schools with 16 or fewer eligible pupils receive £500 per pupil.

Schools with 17 or more eligible pupils receive £8,000 and an additional payment of £5 per pupil.
