Sports trips	£6,000
TOTAL	£19,000

What is the Sports Premium?

The Government in England has provided additional funding of over £150 million per annum since 2013/14 to improve PE and school sport in primary schools. From September 2017, the funding will be doubled to enable primary schools to make further improvements to the quality and breadth of the PE and sport they offer. The money goes directly to Head Teachers to enable them to improve the quality of PE and sport for all children. Each school receives £16,000 plus £10 per pupil in years 1 to 6. At Angel Oak Academy, we will receive £19,000 in 2017/18. Schools must spend this on improving their sports and PE provision, but can choose how to do this.

Our main objectives:

At Angel Oak Academy we aim to provide a range of sporting opportunities for our children. Our aspiration is to provide high quality sports education for all of our students, improving their health and fitness and promoting an inclusive ethos, where all students enjoy participating in sporting activities. We provide a wide range of sporting activities to students, including competitive sports events, and have specialist staff that supports us in delivering this provision. Angel Oak Academy employs two full-time qualified PE coaches to deliver sports and PE lessons across the academy and ensure that all staff receive pedagogical and sport specific training. Coaches run all sports clubs and arrange and attend all sports fixtures. Coaches also deliver training across the Academy Trust.

Our Sports Grant will be used to:

- Project a positive image of the Academy when competing against other schools. Focussing on team spirit, good sportsmanship and positivity
- Develop and enrich our current PE curriculum through swimming sessions in Years 3 and 5
- Ensure that equipment is safe, practical, usable and in a good condition
- Participate in competitions within our local area and within STEP Academy Trust
- Identify pupils that will benefit from sport to manage their emotions
- Ensure every child has the opportunity to take part in a sporting activity/PE and not accepting pupils not having a PE kit as an excuse not to take part
- Provide an opportunity to showcase our sporting talents to our parents and staff at our annual Academy Sports Day
- Provide Lunchtime-, Before- and After-School Clubs
- Develop the practice of current teachers in the teaching of PE and healthy lifestyles
