3. Barriers to future attainment (for pupils eligible for PP)		
In-school barriers <i>(issues to be addressed in school, such as poor oral language skills)</i>		
A.	High levels of mobility	
B.	High % of EAL	
C.	Poor home learning environment	
External barriers <i>(issues which also require action outside school, such as low attendance rates)</i>		
D.	As a result of the complex context of the Academy, a significant number of pupils experience social and economic deprivation, but do not qualify for PPG. Furthermore, a significant number of pupils do not qualify for PPG because their economic situation places their family marginally above the PPG threshold. In addition, there are a number of families who have no recourse to public funds. No pupils of Angel Oak Academy come from families that benefit from social-economic privilege.
